Dear Lorraine Cherry,

Congratulations! On behalf of Keep Houston Beautiful, we are pleased to inform you that the "Wireless Wilderness" Cell Phone Tour has been selected to receive the **Proud Partner Award** in the 2011 Mayor's Proud Partners competition.

To honor this achievement, a representative from the Friends of West 11th Street Park is invited to attend the 27th annual awards luncheon on Monday, October 31st, at the Hilton Houston Post Oak Hotel, located at 2001 Post Oak Blvd, Houston, TX 77056. The event begins with a reception at 11:00 AM, followed by the noon awards luncheon. Business attire is appropriate.

To help make the ceremony memorable, your project will be presented in a special slide show and the award will be presented by Mayor Annise Parker. Also, your project will be highlighted in the invitation as well as the event program.

If you did not provide digital or color photographs with your entry, please provide the following information to the Keep Houston Beautiful office by **Friday, September 23, 2011:**

- For individuals, a color digital photo on CD, or color photo. Portrait style is preferred.
- For an organization, 2-5 color digital photos on CD, or color photos of your award-winning activities.
- Complete the attached form for the correct spelling of your project name, sponsoring group or individual for inscription on the award, and name of the individual accepting the award (*this person will receive a meal at the winner's price of \$45.00*).
- A list of guest names/addresses of individuals or organizations to receive an invitation. (Individual tickets are \$100, plus table sponsorship packages are available.)

Please feel free to contact me if you have questions about providing the requested material(s). Again, congratulations on this well-earned award.

Sincerely,

Robin Blut
Executive Director
